

# Getting Started

Ready to bring WeSeed EDU in your classroom? Walk through this overview of the simple steps you will need to take to get your classroom WeSeed-ready.

---

## 1

### Create your WeSeed account

If you haven't joined WeSeed, then the first step is to create your WeSeed account and become a member of WeSeed. It's free and only takes a few minutes.

To create your account, click "Sign up now" on the home page of WeSeed.com.

---

## 2

### Subscribe for the WeSeed educator e-letter

Sign up for our exclusive WeSeed educator e-letter to get site updates, resources, tutorials and tips on how you can get the most out of WeSeed EDU.

Look for the sign up box on the left side of your portfolio page. Enter your email and click "Subscribe."

---

## 3

### Share WeSeed EDU with your students

Now that you've created your account, it's time to introduce your students to WeSeed EDU by creating a **Private Classroom Group**. In a Private Classroom Group, each student creates and maintains his or her own portfolio and the teacher monitors the entire group's trades, portfolios and overall progress.

To learn how to create a Private Classroom Group, visit the FAQ page for step-by-step instructions.

---

## 4

### Moderate your Groups

As a moderator for your Private Classroom Groups, you'll be able to:

- Send messages
- Monitor students' portfolios
- Post buzz
- Remove/invite members

For more information about moderating Groups, visit the FAQ page.
